

Python: Entornos virtuales

- <https://roylans.dev/entorno-virtual-en-python-pyenv>
- <https://docs.python.org/es/3/tutorial/venv.html>

more

- Use Pyenv for multiple python version management:

```
curl https://pyenv.run | bash
```

- preferred Python version: 3.11:

```
pyenv global 3.11
```

- Use venv for virtual environment management
